A Legacy of Opportunity: Invest in the Aum Foundation Endowment

Your steadfast support of the Aum Foundation has made a tangible difference in the lives of Alabama's high-achieving economically disadvantaged students. Since 2016, we've proudly served 245 students across the state through three impactful programs, empowering them with:

. Essential Preparation: Average ACT score increases of 2.9 points.
. Graduation Success: A remarkable 100% high school graduation rate.
. A Path to Higher Education: 98% of our students pursue post-secondary opportunities.
. Powerful Mentorship: Connection to a network of strong, accomplished women providing guidance, inspiration, and access to invaluable opportunities.

We share these accomplishments with gratitude for your belief in our work. Now, we invite you to deepen your impact with a transformational endowment gift.

The Power of Endowment
An endowment creates a source of perpetual funding, ensuring that our mission to close the achievement gap in Alabama endures for generations to come. Your endowment gift will provide:

. Predictable Support: A reliable income stream that allows us to confidently plan and expand our programs.
. Long-term Impact: The ability to reach more students, break down barriers to success, and provide vital mentorship year after year.
. A Sustainable Foundation: Assurance that the Aum Foundation's legacy of empowerment will continue well into the future.

Join the Aum Circle of Giving

Endowment donors become members of our distinguished Aum Circle of Giving, recognizing your lasting commitment to educational opportunity. As a valued member, you have the option to name your endowment gift in your honor, in the name of a loved one, or in tribute to someone who has inspired you.

Your Legacy in Action
Imagine the lives shaped and futures brightened thanks to your visionary investment. An endowment gift is a powerful testament to your belief in Alabama's youth, the importance of mentorship, and the value of breaking down barriers to create a more equitable future.
We invite you to explore the possibilities of making an endowment gift.

With sincere gratitude, Alka Bhargav
